**TONYA LANTHIER, RDH**  
**FOUNDER & CEO, DENTALPOST**

Tonya Lanthier founded DentalPost in 2005 as a tool to help dental professionals connect and make smarter hires. Since then, it has grown into the dental industry's premier and largest online and mobile job board. A Registered Dental Hygienist-turned-entrepreneur, Tonya has gained acclaim industry-wide for her passion to improve lives and help dental professionals build teams that excel through metric-based career matching tools, including assessments for personality types, values, skills, and workplace culture.
